Application for Steering Committee Membership

Thank you for your interest in joining COMETS. Cohorts must meet the following criteria:

- Prospective cohort, 100+ participants with blood metabolomics data
- Identified metabolite data
- Follow-up for disease, including cancer and non-cancer outcomes
- Mass-spectrometry platform, preferred; however, NMR data are eligible

Please complete the form below and submit to Abha Arora (abhaarora.arora@nih.gov) and Kelly Crotty (Kelly.crotty@nih.gov) to apply for membership. Your submitted application will be reviewed at the next Steering committee call.
